A Sicília é uma região autônoma com estatuto especial da Itália

BLACK – 31PT/31PT

L'origine du nom de Sicile est obscure. Il dérive du grec sik pour signifier île de la fertilité.

BLACK – 23PT/24PT

La Sicile est une île d'Italie bordée au nord par la mer Tyrrhénienne et située à l'ouest-sud-ouest de la Calabre méridionale. Au nord-est de l'île et à une trentaine de kilomètres de la côte, se situe l'archipel volcanique des îles Éoliennes (ou Lipari). Parmi elles, l'île de Stromboli, à 61 kilomètres au nord de Milazzo, est connue pour son volcan. Le territoire de la région se prolonge également à l'ouest, au large de Trapani, avec les îles Égades, et au sud-ouest, par les îles Pantelleria et Pélages au sud.

REGULAR – 23PT/26PT

Sylt tiene una superficie de 99,14 km²,
lo que la convierte en la cuarta mayor
isla de Alemania, siendo la más grande
de cuantas se encuentran en el mar
del Norte. Se halla a una distancia de
entre 9 y 16 km de la costa continental,
a la cual está unida mediante un
dique de 11 km de largo, transitable
exclusivamente mediante ferrocarril.
Se puede viajar hacia la isla también a
través de una línea de transbordadores
que une el puerto danés de Havneby, en
la isla de Romo, con el puerto de List.

ABOUT THE DESIGN

Weekend Grotesk is a bold sans serif font family that will grab your attention with its expressive design and weird character. Its asymmetrical contrast in diagonal letters like A and V and the slightly convex stroke ends give it a playful feeling and make Weekend Grotesk the perfect fit for branding and packaging design. If the overall vibe is too crazy for you, use the Boost Legibility Open Type Feature – even the most weird and illegible font becomes a legibility superstar, one alternate character at a time. The Boost Legibility Open Type Feature® is actually just an alternate t K and k, but it does wonders and performs better in longer texts with the alternates. Weekend Grotesk is available for purchase over at Future Fonts as it is a work in progress that will grow into a proper font family.
